10 INTRODUCTORY ALLEGATIONS AND DEFINITIONS

11 At all times relevant to this Indictment:

12 A. The Conspiracy and Defendants

13 1. CyberArmyofRussia_Reborn ("CARR") was a group that
14 conducted cyberattacks, including distributed denial of service
15 attacks, or "DDoS," and intrusions against critical infrastructure
16 and other victims around the world, including victims within the
17 Central District of California, in support of Russia's geopolitical
18 interests.

19 2. "Z-Pentest" was an alternate group name employed by CARR
20 members in furtherance of CARR's campaign of cyberattacks, with a
21 focus on Supervisory Control and Data Acquisition ("SCADA")
22 intrusions against public water systems and other critical
23 infrastructure.

24 3. Defendants VICTORIA EDUARDOVNA DUBRANOVA, also known as
25 ("aka") "Vika," aka "Sovasonya" ("DUBRANOVA"); [REDACTED]

26 [REDACTED]
27 [REDACTED]
28 [REDACTED] FNU LNU, aka "Cyber_1ce_Killer," aka "Commander"

1 ("CYBER_ICE"); [REDACTED]
2 [REDACTED]
3 [REDACTED]
4 [REDACTED]
5 [REDACTED]
6 [REDACTED]
7 [REDACTED]
8 [REDACTED]
9 [REDACTED]
10 [REDACTED]
11 [REDACTED], whose
12 photographs are attached as Exhibit A, were members of CARR.

13 4. Defendant DUBRANOVA was a resident of Ukraine.

14 5. Defendants [REDACTED] CYBER_ICE, [REDACTED]
15 [REDACTED]
16 [REDACTED] were residents of Russia.

17 6. The moniker "Cyber_1ce_Killer" was associated with at least
18 one Main Directorate of the General Staff of the Armed Forces of the
19 Russian Federation (GRU) officer.

20 7. Defendants [REDACTED] and co-conspirators believed that
21 defendant CYBER_ICE was at all relevant times a Russian government
22 agent and defendant [REDACTED] worked for the Federal Security Service
23 of the Russian Federation (FSB).

24 8. At times, CARR had more than 100 members and more than
25 75,000 followers on Telegram. CARR's membership included juveniles,
26 including individuals who have been fully identified by U.S.
27 authorities.
28

1 B. Victims

2 9. Victim Meat Packing Facility, located in Vernon,
3 California, is a meat packing and processing company.

4 C. Definitions

5 10. A DDoS attack is a type of computer-based attack in which
6 an internet-connected victim computer is flooded with data and/or
7 queries in such a manner to render it unable to communicate with
8 other devices on the internet or to perform the services which it is
9 intended to perform. Layer 4 DDoS attacks target the transport layer
10 of the network. These attacks disrupt the communication protocols
11 that transfer data between systems. Layer 7 DDoS attacks target the
12 application layer of the network. These attacks exhaust resources of
13 the target server.

14 11. Telegram is a cloud-based encrypted messaging service that
15 allows users to post messages in public channels and message other
16 users directly.

17 12. Supervisory Control and Data Acquisition ("SCADA") is a
18 computer-based system that collects, analyzes, and displays real-time
19 data from remote sites to monitor and control industrial processes.
20 SCADA systems are commonly used in utilities, manufacturing, oil and
21 gas production, and water and wastewater treatment facilities.

COUNT ONE

[18 U.S.C. § 371]

[ALL DEFENDANTS]

The Grand Jury hereby realleges and incorporates paragraphs 1 through 10 of the Introductory Allegations and Definitions of this Indictment.

A. OBJECTS OF THE CONSPIRACY

Beginning no later than November 2022, and continuing to the present, in Los Angeles County, within the Central District of California, and elsewhere, defendants DUBRANOVA, [REDACTED] [REDACTED] CYBER_ICE, [REDACTED] [REDACTED] and others known and unknown to the Grand Jury, knowingly conspired and agreed with each other to:

1. knowingly cause the transmission of programs, information, codes, and commands, and as a result of such conduct, intentionally cause damage without authorization to protected computers, and specifically:

a. to cause loss to one or more persons during a one-year period aggregating at least \$5,000 in value, in violation of Title 18, United States Code, Section 1030(a)(5)(A), (c)(4)(B)(i), (c)(4)(A)(i)(I);

b. to cause a threat to public health or safety, in violation of Title 18, United States Code, Section 1030(a)(5)(A), (c)(4)(B)(i), (c)(4)(A)(i)(IV); and

c. to cause damage affecting ten or more protected computers during a one-year period, in violation of Title 18, United States Code, Section 1030(a)(5)(A), (c)(4)(B)(i), (c)(4)(A)(i)(VI);

1 2. to tamper with, attempt to tamper with, or make a threat to
2 tamper with, a public water system, in violation of 42 U.S.C. § 300i-
3 1.

4 B. MEANS BY WHICH THE OBJECTS OF THE CONSPIRACY WERE TO BE
5 ACCOMPLISHED

6 The objects of the conspiracy were to be accomplished, in
7 substance, as follows:

8 1. Defendant CYBER_ICE would instruct defendant [REDACTED] and
9 other CARR leaders regarding what kinds of victims CARR should target
10 with cyberattacks;

11 2. Defendant CYBER_ICE would finance CARR's access to various
12 cybercriminal services, including subscriptions to DDoS-for-hire
13 services;

14 3. Defendants DUBRANOVA, [REDACTED]
15 [REDACTED]
16 [REDACTED], and co-conspirators would research and identify
17 potential victims for CARR cyberattacks;

18 4. Using private Telegram chats, defendants would coordinate
19 cyberattacks against victims around the world, including critical
20 infrastructure within the United States;

21 5. Defendants DUBRANOVA, [REDACTED] CYBER_ICE, [REDACTED]
22 [REDACTED], and co-conspirators
23 would serve as administrators for various private Telegram chats and
24 public Telegram channels associated with CARR, controlling the
25 membership in the chats and moderating posts in the channels;

26 6. Defendants [REDACTED], and co-
27 conspirators would conduct research on past and present CARR members
28 to maintain intelligence regarding group members' allegiance to CARR;

1 7. For SCADA intrusion attacks, defendants [REDACTED],
2 and co-conspirators would hack into victim public water systems and
3 other SCADA systems, tampering with pumps and industrial equipment
4 and intentionally causing damage;

5 8. For such SCADA intrusion attacks, defendants [REDACTED]
6 [REDACTED] and co-conspirators would take photos and videos documenting
7 their cyberattacks;

8 9. For DDoS attacks, co-conspirators would use [REDACTED]
9 "Killweb," CARR's DDoS script, and/or a paid subscription to a DDoS-
10 for-hire service, to conduct cyberattacks against hundreds of victims
11 around the world;

12 10. For DDoS attacks, co-conspirators would take photos
13 documenting their cyberattacks and circulate links to co-conspirators
14 showing that the DDoS victim website had been taken offline or
15 otherwise degraded;

16 11. Defendants [REDACTED] and co-conspirators would
17 send photos and videos documenting their cyberattacks to defendant
18 DUBRANOVA, who would create promotional videos and media claiming
19 credit for the cyberattacks;

20 12. Some of CARR's promotional media exaggerated its abilities
21 and activities, in an effort to gain increased notoriety, raise
22 funds, and recruit new members;

23 13. Defendants [REDACTED] and [REDACTED] would post DUBRANOVA's
24 media to CARR's public Telegram channels, along with messages
25 claiming credit for CARR's cyberattacks and at times providing
26 purported explanations for why CARR had targeted the depicted
27 victim(s) and aligning CARR with Russian geopolitical interests;

28 14. Defendants [REDACTED] and [REDACTED] would post messages to

1 CARR's public Telegram channels recruiting new members and soliciting
2 resources to fund CARR's subscription to a paid DDoS-for-hire
3 service;

4 15. Defendants [REDACTED] and co-
5 conspirators would instruct CARR members to obtain hacked, stolen, or
6 sensitive data, including personal identifying information, to be
7 posted to CARR's public Telegram channels and/or shared with Russian
8 government authorities, including the FSB.

9 C. OVERT ACTS

10 In furtherance of the conspiracy and to accomplish its objects,
11 on or about the following dates, defendants DUBRANOVA, [REDACTED]
12 [REDACTED] CYBER_ICE, [REDACTED]
13 [REDACTED], and
14 others, committed various overt acts within the Central District of
15 California, and elsewhere, including but not limited to the
16 following:

17 **Administration, Promotion and Coordination of CARR**

18 Overt Act No. 1: On March 10, March 13, April 28, and July 1,
19 2022, defendant CYBER_ICE emailed at least six individuals asking
20 them to promote online CARR's posts claiming credit for cyberattacks.

21 Overt Act No. 2: On or before April 26, 2022, defendant
22 CYBER_ICE created CARR's Instagram account, called "caofrussia."

23 Overt Act No. 3: On October 13, 2022, defendant CYBER_ICE
24 created CARR's Twitter account, called "CAofRussia."

25 Overt Act No. 4: On December 23, 2022, defendant CYBER_ICE
26 created CARR's public YouTube channel, with display name
27 "CyberArmyofRussia."

28 Overt Act No. 5: On September 4, 2023, defendant [REDACTED]

1 directed a correspondent from a Russian news media outlet looking to
2 interview CARR about its "recent operation against the Poles and the
3 Balts" to contact defendant CYBER_ICE.

4 Overt Act No. 6: On or before October 20, 2023, defendant
5 CYBER_ICE created a private Telegram chat including defendants
6 [REDACTED], and other co-conspirators, to facilitate
7 their coordination of CARR cyberattacks.

8 Overt Act No. 7: On December 12 and 16, 2023, defendants
9 [REDACTED], and co-conspirators recruited "specialists in
10 DDoS" to join CARR and directed anyone interested to contact
11 defendant [REDACTED] on Telegram.

12 Overt Act No. 8: On December 21, 2023, defendants [REDACTED] and
13 [REDACTED] instructed CARR members to conduct online research for
14 individuals expressing support for the individual who killed a
15 Russian military blogger in St. Petersburg in April 2023. Defendant
16 [REDACTED] instructed CARR members to send such information to
17 defendant [REDACTED] whom she described as an "FSB Captain" and "our
18 FSB colleague," so that defendant [REDACTED] could initiate
19 "investigative actions" and "criminal cases" against those
20 individuals.

21 Overt Act No. 9: On an unknown date, defendant [REDACTED] became
22 an administrator of a chat where CARR members coordinated
23 cyberattacks.

24 Overt Act No. 10: On January 20, 2024, defendant [REDACTED]
25 created a private chat on Telegram for CARR's "DDoS squad" and
26 invited defendant [REDACTED] to join the group.

27 Overt Act No. 11: Prior to June 24, 2024, defendant DUBRANOVA
28 managed a paid subscription to a social media marketing service

1 designed to amplify CARR's public Telegram profile.

2 Overt Act No. 12: On July 20, 2024, defendant [REDACTED] sent a
3 message to CARR co-conspirators instructing them to work faster
4 toward an unidentified CARR cyberattack.

5 Overt Act No. 13: Between September 4, 2024, and October 31,
6 2024, defendant [REDACTED] and co-conspirators referred to defendant
7 CYBER_ICE as "Commander" and characterized defendant CYBER_ICE as a
8 Russian government operative.

9 Overt Act No. 14: On September 10, 2024, defendant [REDACTED]
10 instructed co-conspirators regarding effective coding methods to
11 circumvent network security protocols.

12 Overt Act No. 15: On September 27, 2024, defendant DUBRANOVA
13 created a private Telegram chat called "Besedka" and included
14 defendants [REDACTED]
15 [REDACTED], where these defendants and other CARR members shared
16 exploits, discussed victim targeting, and coordinated cyberattacks
17 against dozens of victims.

18 Overt Act No. 16: On September 30, 2024, defendant [REDACTED]
19 directed co-conspirators to focus CARR cyberattacks on "all countries
20 unfriendly to the Russian Federation," including Taiwan, Finland,
21 Poland, and the United States, but to avoid attacking Serbia and
22 Hungary.

23 Overt Act No. 17: On an unknown date before October 17, 2024,
24 defendant [REDACTED] sent money to defendant [REDACTED] to fund CARR's
25 activities.

26 Overt Act No. 18: On October 20, 2024, defendant DUBRANOVA
27 created a public account on X called "Z Pentest," where CARR
28 regularly published photos and videos claiming credit for

1 cyberattacks.

2 Overt Act No. 19: On October 24, 2024, defendants [REDACTED] and
3 DUBRANOVA researched fundraising to cover the cost of CARR's
4 subscription with an illicit DDoS service.

5 Overt Act No. 20: On November 7, 2024, defendant [REDACTED]
6 coached defendant DUBRANOVA regarding how to flee from Ukraine to
7 Russia.

8 Overt Act No. 21: On November 7, 2024, defendant [REDACTED]
9 provided defendant DUBRANOVA with the contact information, including
10 name and phone number, of an FSB agent working in the "Anti-Terrorism
11 Department" located in Krasnodar, Russia.

12 Overt Act No. 22: On November 7, 2024, defendant [REDACTED]
13 sent a private message to defendant DUBRANOVA informing her that an
14 FSB sanctioned travel paper had been sent to Belarussian border
15 patrol officers to help facilitate defendant DUBRANOVA's flight to
16 Russia through Belarus.

17 **DDoS Targeting and Attacks**

18 Overt Act No. 23: On November 8, 2022, defendant [REDACTED]
19 and co-conspirators conducted a DDoS attack against the Secretary of
20 State website of a U.S. state, causing the website to be periodically
21 inaccessible for approximately ten hours on election day in the 2022
22 midterm election.

23 Overt Act No. 24: On February 2, 2023, and November 23, 2023,
24 defendant [REDACTED] researched DDoS cyberattack methods and tools.

25 Overt Act No. 25: On June 21, 2023, defendant [REDACTED] saved
26 login credentials to her personal email account for a CARR account on
27 a DDoS subscription service called Stresser.tech.

28 Overt Act No. 26: On September 23, 24, and 26, 2023, defendant

1 [REDACTED] and co-conspirators conducted DDoS attacks against several
2 Moldovan airport websites.

3 Overt Act No. 27: On September 29, 2023, defendants [REDACTED] and
4 [REDACTED] coordinated a DDoS attack against a Ukrainian web portal
5 designed to provide food, clothes, medicine, and other emergency
6 services to Ukrainian citizens affected by the war.

7 Overt Act No. 28: On and between October 16-18, 2023,
8 defendants [REDACTED], and co-conspirators conducted a
9 series of DDoS attacks against Romanian websites.

10 Overt Act No. 29: On December 18, 2023, defendant CYBER_ICE
11 informed co-conspirators [REDACTED], and others, that he was
12 going to submit payment for CARR's DDoS account later that day.

13 Overt Act No. 30: On January 10, 2024, defendant [REDACTED]
14 and co-conspirators conducted a DDoS attack against the website for
15 the Northwest Missouri Regional Airport.

16 Overt Act No. 31: On February 2, 2024, defendant [REDACTED]
17 and co-conspirators conducted research on the website for the U.S.
18 Department of Veterans Affairs to assess a possible DDoS attack.

19 Overt Act No. 32: On February 6, 2024, defendant CYBER_ICE
20 instructed co-conspirators not to "touch the stressor [DDoS service]
21 until I give the command."

22 Overt Act No. 33: On February 23, 2024, defendant [REDACTED]
23 and co-conspirators conducted a DDoS attack against the website for a
24 University in Alaska.

25 Overt Act No. 34: On March 27, 2024, defendant CYBER_ICE
26 instructed defendant [REDACTED] that his organization would no longer
27 fund CARR's DDoS efforts and that defendant [REDACTED] should instead
28 focus CARR on getting "information for the war, namely, to destroy

1 the information resources and systems of the enemy.”

2 Overt Act No. 35: On March 28, 2024, defendant CYBER_ICE
3 instructed defendant [REDACTED] that DDoS “was closed” for CARR
4 “because it does not cause any damage,” and because “[i]f we hit Kyiv
5 with missiles, we won’t need DOS.”

6 Overt Act No. 36: On April 6, 2024, defendant [REDACTED] sent
7 a private message to the administrator of Stresser.tech, an illicit
8 DDoS service, coordinating payment and conversion from Rubles for
9 CARR’s account on Stresser.tech.

10 Overt Act No. 37: On April 12, 2024, defendant [REDACTED] and
11 co-conspirators conducted research on the website for the U.S.
12 embassy in Ljubljana to assess a possible DDoS attack.

13 Overt Act No. 38: On an unknown date prior to April 13, 2024,
14 defendant [REDACTED] developed a DDoS script called CA_DDoS and also
15 known as “Killweb,” which a co-conspirator later posted to CARR’s
16 public Telegram channel and shared privately among CARR members as a
17 tool to conduct DDoS attacks against victims selected by CARR
18 members.

19 Overt Act No. 39: On April 21, 2024, defendant [REDACTED] and
20 co-conspirators conducted a DDoS attack against the website of an
21 energy company located in Pennsylvania.

22 Overt Act No. 40: On May 5, 2024, defendant [REDACTED] and co-
23 conspirators conducted a DDoS attack against the websites for U.S.
24 nuclear regulatory institutes.

25 Overt Act No. 41: On August 21, 2024, defendant [REDACTED]
26 conducted a DDoS attack against a Ukrainian government website,
27 circulating evidence of the attack to co-conspirators and proposing
28 text to accompany a public post claiming credit for the cyberattack

1 on CARR's public Telegram channel.

2 Overt Act No. 42: On August 22, 2024, defendant [REDACTED]
3 instructed co-conspirators regarding how to install "Killweb," CARR's
4 DDoS script.

5 Overt Act No. 43: On August 22, 2024, defendant [REDACTED] and co-
6 conspirators conducted DDoS attacks against websites of several blood
7 donation organizations in Ukraine.

8 Overt Act No. 44: On August 30, 2024, defendant [REDACTED]
9 conducted a DDoS attack against a Ukrainian news website.

10 Overt Act No. 45: On September 17, 2024, defendant [REDACTED]
11 instructed co-conspirators regarding DDoS attack methods, including
12 Layer 4 and Layer 7 DDoS attacks, and CARR's DDoS script "CA_DDoS."

13 Overt Act No. 46: On September 27, 2024, defendant [REDACTED]
14 instructed co-conspirators to conduct DDoS attacks against six
15 Austrian financial and transportation websites.

16 Overt Act No. 47: On September 27, 2024, defendant [REDACTED] and
17 co-conspirators conducted a DDoS attack against the website of a
18 Ukrainian government institution.

19 Overt Act No. 48: On September 29, 2024, defendant [REDACTED] and
20 co-conspirators conducted DDoS attacks against the website and server
21 hosting the mobile application of an Uzbekistani airline.

22 Overt Act No. 49: On October 1, 2024, co-conspirators
23 conducted a DDoS attack against websites for a Taiwanese news outlet,
24 the Taiwanese military, and the city council of a Ukrainian city.

25 Overt Act No. 50: On October 2, 2024, defendant [REDACTED] and co-
26 conspirators conducted DDoS attacks against an application for
27 cryptocurrency investing.

28 Overt Act No. 51: On October 7, 2024, defendant [REDACTED]

1 provided detailed instructions to co-conspirators regarding how to
2 use a virtual private network to conduct DDoS attacks.

3 Overt Act No. 52: On October 7, 2024, co-conspirators
4 conducted a DDoS attack against a Ukrainian robotics website.

5 Overt Act No. 53: On October 8, 2024, defendant [REDACTED]
6 instructed co-conspirators to identify targets for DDoS attacks in
7 Belgium and Japan.

8 Overt Act No. 54: On October 9, 2024, defendant [REDACTED]
9 instructed co-conspirators to conduct DDoS attacks against targets in
10 Moldova because of upcoming Moldovan elections.

11 Overt Act No. 55: On October 9, 2024, defendant [REDACTED]
12 conducted a DDoS attack against a Ukrainian government website.

13 Overt Act No. 56: On October 9, 2024, defendant [REDACTED]
14 conducted a DDoS attack against the citizen portal for citizens of
15 Brussels, Belgium.

16 Overt Act No. 57: On October 18, 2024, defendant [REDACTED]
17 researched the website for the United States Department of Defense as
18 a possible target for a CARR DDoS attack.

19 Overt Act No. 58: On October 24, 2024, defendant DUBRANOVA
20 created a video defendant [REDACTED] later posted to CARR's public
21 Telegram channel that described how CARR was going to engage in a
22 campaign of DDoS attacks against U.S. election-related websites in
23 advance of the November 2024 U.S. elections.

24 Overt Act No. 59: On October 25, 2024, defendant [REDACTED] and
25 co-conspirators conducted DDoS attacks against the website for a
26 Ukrainian academic institution.

27 Overt Act No. 60: On October 25, 28, and 29, 2024, defendant
28 [REDACTED] and co-conspirators conducted DDoS attacks against

election-related government websites in Florida.

Overt Act No. 61: On October 26, 2024, defendant [REDACTED] proposed potential cyberattack targets, including targets in the Bahamas, to defendant [REDACTED] and other co-conspirators.

Overt Act No. 62: On October 27, 2024, co-conspirators conducted a DDoS attack against a Bahamian government website.

Overt Act No. 63: On October 28, 2024, co-conspirators conducted a DDoS attack against the government website of a county in Florida.

Overt Act No. 64: On October 30, 2024, co-conspirators conducted a DDoS attack against the website of a Texas government agency.

Overt Act No. 65: On November 29, 2024, defendant [REDACTED] and co-conspirators conducted a DDoS attack against a Ukrainian military logistics company.

Overt Act No. 66: On December 4, 2024, defendant [REDACTED] and co-conspirators conducted a DDoS attack against the website for a public toll road in the United Kingdom.

Overt Act No. 67: On November 5, 2024, defendant [REDACTED] and co-conspirators conducted DDoS attacks against the websites of South Korean government agencies.

SCADA Targeting and Attacks

Overt Act No. 68: In September and October 2023, defendant [REDACTED] researched SCADA attack strategies and drafted a document entitled "Manual," in which defendant [REDACTED] provided detailed instructions to teach other CARR members how to conduct cyberattacks against SCADA systems.

Overt Act No. 69: On November 23, 2023, defendant [REDACTED]

1 and co-conspirators compromised a dairy processing facility in
2 California, tampering with fans and misters, and altering passwords.

3 Overt Act No. 70: On January 18, 2024, defendant [REDACTED]
4 and co-conspirators compromised a public water system in Texas,
5 tampering with the set points of the water storage tanks and
6 triggering 22 wells, causing an unknown volume of drinking water to
7 overflow.

8 Overt Act No. 71: On January 18, 2024, defendant [REDACTED]
9 and co-conspirators compromised another public water system in Texas,
10 changing passwords, tampering with storage settings, and causing an
11 unknown volume of drinking water to overflow.

12 Overt Act No. 72: In February 2024, defendant [REDACTED] and
13 co-conspirators compromised a car wash facility in Florida, tampering
14 with the position of the car wash components.

15 Overt Act No. 73: On April 21, 2024, defendant [REDACTED] and
16 co-conspirators attempted to hack a victim oil and gas facility in
17 Texas. The hack was not successful.

18 Overt Act No. 74: On April 23, 2024, defendant [REDACTED]
19 posted links on CARR's public Telegram channel to news reports
20 describing CARR's cyberattack against a water facility in Texas, and
21 claimed credit for these attacks.

22 Overt Act No. 75: On July 24, 2024, defendant [REDACTED] and
23 co-conspirators compromised a landfill water treatment installation
24 in Pennsylvania, tampering with pumps and the levels of parasitic
25 acid contamination.

26 Overt Act No. 76: On and between August 14-17, 2024, defendant
27 [REDACTED] and co-conspirators compromised an oil facility in
28 Oklahoma.

1 Overt Act No. 77: On and between August 28-30, 2024, defendant
2 [REDACTED] and co-conspirators compromised another public water
3 system in Texas, altering pump set points and shutting down the
4 system, causing approximately 200,000 gallons of water to overflow.

5 Overt Act No. 78: On September 18, 2024, defendant [REDACTED]
6 and co-conspirators compromised a victim public water system in
7 Indiana, activating all pumps and tampering with settings.

8 Overt Act No. 79: On September 27, 2024, defendant [REDACTED]
9 sent co-conspirators a password associated with a CARR SCADA victim.

[DEFENDANT DUBRANOVA]

On or about November 9, 2024, in Los Angeles County, within the Central District of California, and elsewhere defendant VICTORIA EDUARDOVNA DUBRANOVA, also known as ("aka") "Vika," aka "Sovasonya" ("DUBRANOVA") knowingly transferred, possessed, and used, and willfully caused to be transferred, possessed, and used, without lawful authority, a means of identification that defendant DUBRANOVA knew belonged to another person, during and in relation to the offense of access device fraud, a felony violation of Title 18, United States Code, Section 1029, as charged in Count Three of this Indictment.

COUNT FIVE

FORFEITURE ALLEGATION ONE

[18 U.S.C. § 981(a)(1)(C) and 28 U.S.C. § 2461(c)]

1. Pursuant to Rule 32.2 of the Federal Rules of Criminal Procedure, notice is hereby given that the United States of America will seek forfeiture as part of any sentence, pursuant to Title 18, United States Code, Section 981(a)(1)(C) and Title 28, United States Code, Section 2461(c), in the event of any defendant's conviction of the offense set forth in Count One of this Indictment.

2. Any defendant so convicted shall forfeit to the United States of America the following:

(a) All right, title, and interest in any and all property, real or personal, constituting, or derived from, any proceeds traceable to the offenses; and

(b) To the extent such property is not available for forfeiture, a sum of money equal to the total value of the property described in subparagraph (a).

3. Pursuant to Title 21, United States Code, Section 853(p), as incorporated by Title 28, United States Code, Section 2461(c), any defendant so convicted shall forfeit substitute property, up to the value of the property described in the preceding paragraph if, as the result of any act or omission of said defendant, the property described in the preceding paragraph or any portion thereof (a) cannot be located upon the exercise of due diligence; (b) has been transferred, sold to, or deposited with a third party; (c) has been placed beyond the jurisdiction of the court; (d) has been substantially diminished in value; or (e) has been commingled with other property that cannot be divided without difficulty.

FORFEITURE ALLEGATION TWO

[18 U.S.C. §§ 982 and 1030]

1. Pursuant to Rule 32.2(a) of the Federal Rules of Criminal Procedure, notice is hereby given that the United States will seek forfeiture as part of any sentence, pursuant to Title 18, United States Code, Sections 982(a)(2) and 1030, in the event of any defendant's conviction of the offenses set forth in either of Counts Two or Three of this Indictment.

2. Any defendant so convicted shall forfeit to the United States of America the following:

a. All right, title, and interest in any and all property, real or personal, constituting, or derived from, any proceeds obtained, directly or indirectly, as a result of the offense;

b. Any property used or intended to be used to commit the offense; and

c. To the extent such property is not available for forfeiture, a sum of money equal to the total value of the property described in subparagraphs (a) and (b).

3. Pursuant to Title 21, United States Code, Section 853(p), as incorporated by Title 18, United States Code, Sections 982(b)(1) and 1030(i), any defendant so convicted shall forfeit substitute property, up to the total value of the property described in the preceding paragraph if, as the result of any act or omission of said defendant, the property described in the preceding paragraph, or any portion thereof: (a) cannot be located upon the exercise of due diligence;

//

1 (b) has been transferred, sold to or deposited with a third party;
2 (c) has been placed beyond the jurisdiction of the court; (d) has
3 been substantially diminished in value; or (e) has been commingled
4 with other property that cannot be divided without difficulty.

1 FORFEITURE ALLEGATION THREE

2 [18 U.S.C. §§ 982 and 1029]

3 1. Pursuant to Rule 32.2(a) of the Federal Rules of Criminal
4 Procedure, notice is hereby given that the United States will seek
5 forfeiture as part of any sentence, pursuant to Title 18, United
6 States Code, Sections 982(a)(2) and 1029, in the event of the
7 defendant's conviction of the offense set forth Count Four of this
8 Indictment.

9 2. The defendant, if so convicted, shall forfeit to the United
10 States of America the following:

11 (a) All right, title, and interest in any and all
12 property, real or personal, constituting, or derived from, any
13 proceeds obtained, directly or indirectly, as a result of the
14 offense;

15 (b) Any personal property used or intended to be used to
16 commit the offense; and

17 (c) To the extent such property is not available for
18 forfeiture, a sum of money equal to the total value of the property
19 described in subparagraphs (a) and (b).

20 3. Pursuant to Title 21, United States Code, Section 853(p),
21 as incorporated by Title 18, United States Code, Sections 982(b)(1)
22 and 1029(c)(2), the defendant, if so convicted, shall forfeit
23 substitute property, up to the total value of the property described
24 in the preceding paragraph if, as the result of any act or omission
25 of the defendant, the property described in the preceding paragraph,
26 or any portion thereof: (a) cannot be located upon the exercise of
27 due diligence;

28 //

(b) has been transferred, sold to or deposited with a third party;
(c) has been placed beyond the jurisdiction of the court; (d) has
been substantially diminished in value; or (e) has been commingled
with other property that cannot be divided without difficulty.
